Dated Camp Oorgaum, the 9th September 1912

From

P. F. Bowring, Esquire.,

Offg. Deputy Commissioner, Kolar District.

To

K.R. Srinivasa Iyengar, Esquire., M.A

Offg. Secretary to the Government of Mysore,

General & Revenue Departments.

Sir,

I have the honor to state that the Debenture Bonds relating to the Kolar District Board Railway are ready for issue, and instructions have been issued to all the Amildars to deliver the same to the depositors concerned in their respective Taluks, obtaining from them the necessary receipts therefor.

2. As people are beginning to doubt if the construction of the line would be taken up early, I request that, to infuse confidence in their minds, arrangements may be made to commence the construction at a very early date, as it would also facilitate the collection of a small balance of the share capital still required to make up the four lacs.

3. I may here mention that a sum of Rs. 3,16,300 has already been collected up to date, of which, a sum of Rs. 2,90,317-10-2 has been invested in the Government of India Promissory Notes of the $3\frac{1}{2}\%$ Loan of 1865 for the face value of three lacs of rupees, leaving a balance of Rs. 25,982-5-10 at the credit of the Board.

4. The question of paying interest to the depositors in the Debentures from the date of deposit to end of March 1912 referred to in Government Order No. Fl. 1468-71/G.F.

139-11-2 dated 19th September 1911, I request, may also be kindly settled early, and the Comptroller, to whom a statement showing the amounts of interest due to the several depositors has separately been sent, authorised to order payment of the same from the Treasuries. The amount, viz, Rs. 6.814-11-2 required on this account can be met for the present out of the available balance referred to in para 3 above.

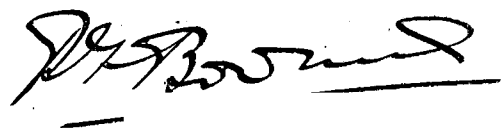

5. I beg also to state that the Treasury Shroffs and Taluk Sheristedars having represented that their security amounts might be transferred from the Savings Bank account to the Railway Debentures, as the latter would carry a higher rate of interest, they were permitted to do so, and I request that you may be so good as to obtain the formal approval of Government to this investment.

6. Favour of early orders is solicited on the foregoing points.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Deputy Commissioner
Kolar District.
